

3 independent LCD displays

High precision counting function

Wind shield

MWP-C SERIES

Micro Counting Scale

MWP-C is the perfect match for environments where precise counting or weighing of small items is necessary, such as semiconductor factories, pharmaceutical companies and laboratories.

- High precision counting function
- RS-232C interface, Connect to PC or Printer
- MWP-C supports 10 label printing formats
- Protective Wind Shield

CAS

MWP-C SERIES | Micro Counting Scale

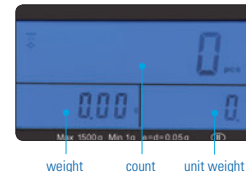

Convenient counting function

Easy and convenient counting function with numeric keys. Ideal for counting minute, light weight products such as electronic parts and jewelry.

LCD Display with 3 independent readings

LCD display with 3 independent readings that indicate a Weight, a Unit Weight and Count simultaneously, allowing the user to accurately check all information quickly.

Specifications

Capacity(g)		150g	300g	600g	1500g	3000g
Readability (g)	N	0.005	0.01	0.02	0.05	0.1
	H	/	0.005	0.01	0.02	0.05
Internal Resolution	1/600,000					
Tare Range	Full Capacity by Subtraction					
Application Modes	Counting(normal mode), Weighing, Accumulation, Hi-Lo Check-count/weight					
Display	LCD display(three display areas, Weight, Unit Weight and Count), blue color LED backlight					
Weight Units	2 available units(g, lb)					
Interface	Standard RS-232C(PC, printer)					
Operation Temperature	0°C~40°C					
Power	AC Adaptor DC 12V/800mA					
	Internal rechargeable sealed acid battery 6V/1.2Ah					
Battery Life	20 hours continuous use with 12 hour recharge time					
Dimension (mm)	200(W) x 80(H) x 250(D)					
Pan Size (mm)	Small-pan		Large-pan			
	Ø116		124(W) x 144(D)			
Packing (kg)	1.35		1.39			

FEATURES

- High precision & resolution
(External resolution 1/30,000~1/60,000)
- LCD display with 3 independent readings
- RS-232C interface
- Overload alarm function
- Auto-off function
- Ability to control the scale via PC
(perfect Key-command function)
- Wind shield(5 pcs)
- Rechargeable battery
- Comparison function(Weight, Count)
- 10 label printing formats
